

**MAYHEM AT THE MOUNTIAN
UTV SERIES
CLASSES & SAFETY REQUIREMENTS**

- Short Course Race Classes will be individual racing for time. Combined points from both motos determines overall finish position.
- Transponders will be used for timing on all Short Course and WTW Races. Transponders not needed for any race ran on the Kid's Track. All racers must set up a profile at <https://app.iraceready.com/> and register online prior to race day.
- Purchasing individual transponders is highly encouraged. Order online at <https://app.iraceready.com/events/e35d2e81-6d5c-43bd-8718-ec3ce94c9789> MATM will have transponders for rent, as well.
- Wheel to Wheel Races will be separated by classes. Classes include Open Pro, Pro NA, Intermediate, Women's, Sportsman Turbo, and Sportsman NA.
- One transponder required per racer. No sharing of transponders. Assuring the correct transponder is on the rig at the time of racing is solely the responsibility of the racer. If the incorrect transponder is on the vehicle you are racing, racer will receive a DNF.
- Short Course & WTW Requirements for Open Pro and Pro NA Classes.
