

MAYHEM AT THE MOUNTAIN UTV SERIES 2026
PRESENTED BY CORE POWERSPORTS
POINTS SERIES RULES

1. Racers must race 4 of the 5 Short Course and Wheel to Wheel Races to qualify for the season point series.
2. Each racer's lowest score will be dropped in each series, when calculating season points.
3. Racers cannot run 2 different classes in the same SxS. An Exhibition class has been added for racers wanting extra seat time. No trophies awarded in this class. Racers may run 2 different classes in 2 different SxS.
4. The race ready system assigns points for a DNF (Did not finish), however zero points are awarded for DNS (Did not start). In situations of mechanical failure, it is in the racers' best interest to start the race and be awarded last place points to remain eligible to compete in the series.
5. Racers will incur a 3 second penalty for each barrel hit. The only exception is if a barrel has been previously hit and is in the driver's path. Hitting that barrel will not result in a penalty. No reruns in these instances.
6. In the event of a wreck, the wrecked driver will receive a DNF. The other driver on the track will receive a rerun.
7. A rerun will be issued to a racer who catches up to the driver in the opposite lane. In this instance, the faster driver will pace the slower driver so they can finish their race unimpeded. Faster driver will pull back to Start line as soon as is safe to do so.
8. The points system is as follows:
 - 1st - 25pts
 - 2nd - 22pts
 - 3rd - 20pts
 - 4th - 18pts
 - 5th - 16pts
 - 6th - 14pts
 - 7th - 12pts
 - 8th through 18th subtract 1pt
 - 19th and below awarded 1pt
